

CHILDREN'S TRUST OF SOUTH CAROLINA
**BUILDING HOPE
FOR CHILDREN
CONFERENCE**

BE A CHAMPION FOR *Children*

AUG. 28-29, 2024

EMBASSY SUITES BY HILTON GREENVILLE
GOLF RESORT & CONFERENCE CENTER

Child abuse and neglect is prevented when families are strong and have the resources and supports they need. The professionals who work every day with those served by Children's Trust programs positively change outcomes for children and families before maltreatment occurs or reoccurs. They give families their best when they learn cutting-edge practices and are invigorated and inspired. Their contributions give us hope – hope for a better future for our children, our families, our communities, and our state.

To support, encourage, and educate these everyday heroes, Children's Trust will host its signature, statewide prevention conference in August 2024.

In 2022, by attending informative breakout sessions and hearing from nationally-known keynote speakers, conference participants in the prevention field – who represented 10 states, 36 South Carolina counties and 160 organizations – were able to share knowledge, make connections and leave with actionable takeaways to support child and family well-being.

Your support of Children's Trust's biennial Building Hope for Children Conference will help ensure our child- and family-serving professionals are as well-equipped as possible and remain motivated and committed to their important work.
